

# Corner links square (90°)

150 dpi Print at 100%

©2005 KURTZ DESIGN Eli.Kurtz@gmx.net

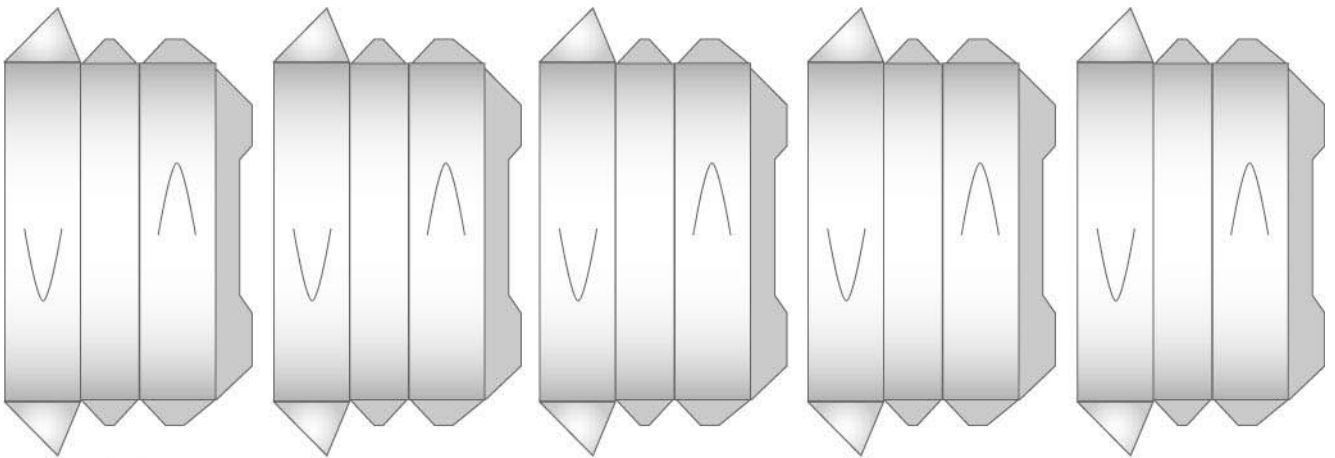

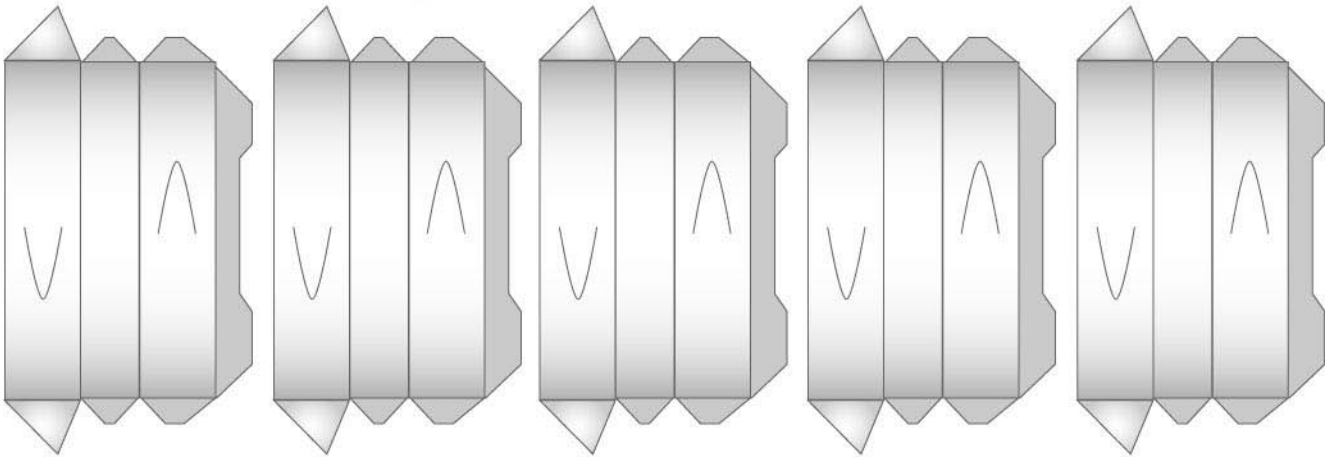

150 dpi Print at 100%

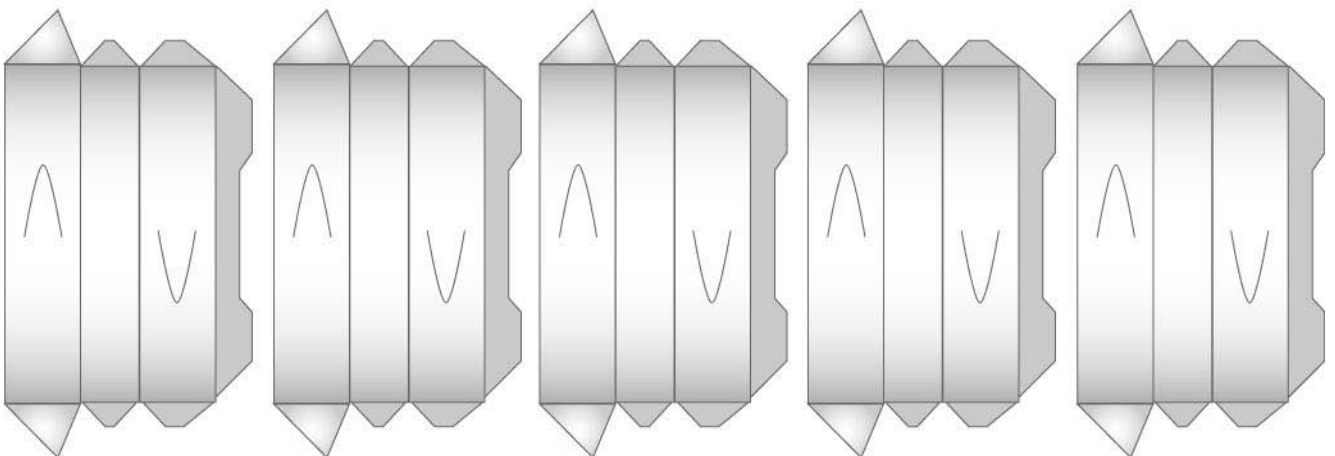

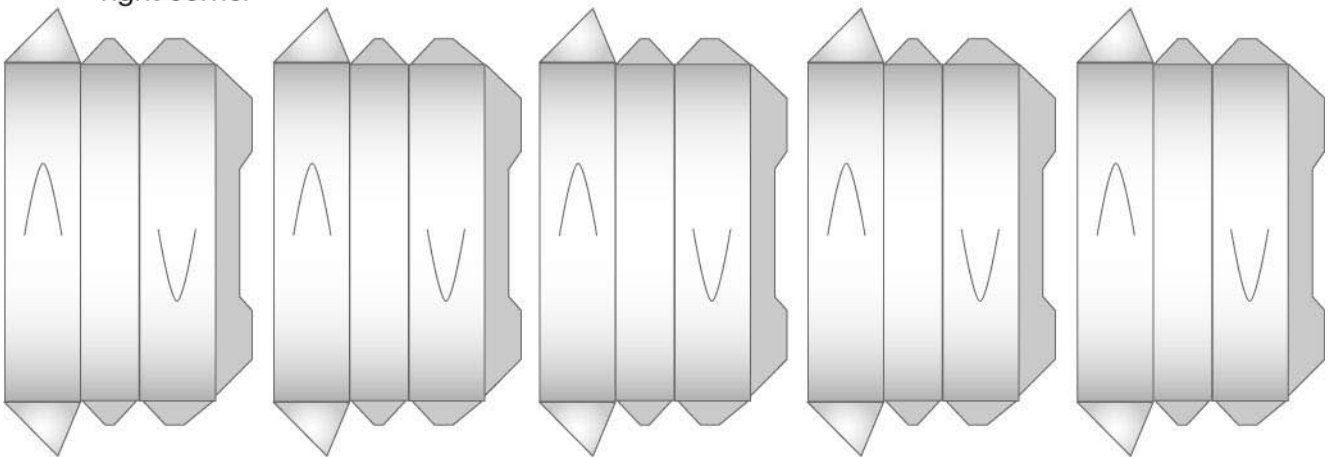

left corner

150 dpi Print at 100%

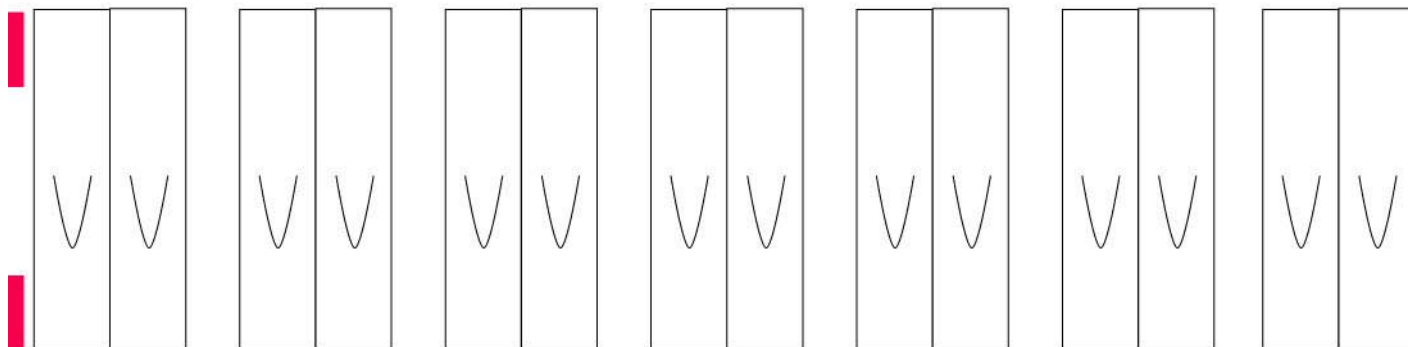

right corner

## Transition Links

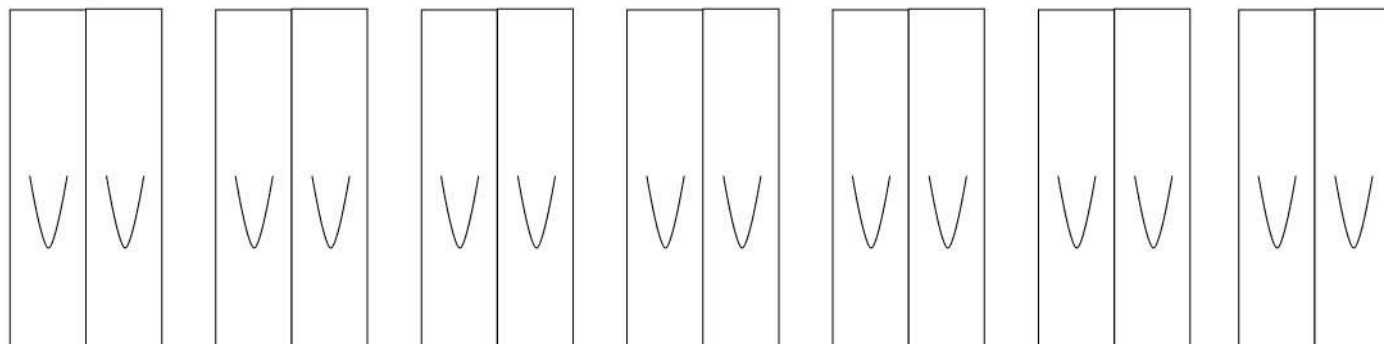

use if you need to change the link direction

©2005 KURTZ DESIGN Eli.Kurtz@gmx.net

apply glue only in the marked area

150 dpi Print at 100%

## Lazy Links (variable angles)

(do not glue at all!!!) use instead of corner links or in combination with corner links if you want to create angled wall crossings
